FOR THE COMPANY THAT WANTS TO SPOIL ITS EMPLOYEES – BECAUSE IT DEMANDS A LOT FROM THEM AND EXPECTS MAXIMUM PERFORMANCE. PERFECT FOR LONG-TERM PROJECTS WHERE EMPLOYEES LIVE AWAY FOR EXTENDED PERIODS OF TIME.

**OUR EXPERIENCE:** Your employees will be at their happiest and thrive if their accommodation is exceptional. It is, for example, extremely important to have a fast and reliable internet connection, so employees can get in touch with their loved ones at home or stream movies. In the same way, a good and varied menu quickly becomes the highlight of the day and something which brings the residents together. Fitness, cinema and other activities and events are welcome distractions from the working day.

## ADVANTAGES:

- Happy employees who thrive are more motivated
- Well-rested and well-nourished employees mean maximum performance
- A healthy diet, good rest and recreation increases safety in the workplace

\* this price covers only the day-to-day operation of the camp. The cost of setting up the camp and other initial expenses are priced separately. the price does not take into account any special needs or wishes in terms of camp equipment, apart from what has already been listed.
